Wednesday Night

Adult Bible Study (ABS)

Work those ABS!

Rene' Pache says in The Person and Work of the Holy Spirit: The subject of the Holy Spirit is of extreme importance. We all need his presence and power, and without Him it would be utterly impossible for us to live the Christian life and serve God." Charles C. Ryrie adds in Basic Theology, "Many people have labeled the 20th century as the century of the Holy Spirit." Dr. Dwight Pentecost says in the The Divine Comforter, the Person and Work of the Holy Spirit: "Personal, intimate fellowship between the believer and the Spirit is essential for spiritual growth."

Make plans to join us on Wednesday nights at 6:30pm for Adult Bible Study (ABS). On May 4, we began a new series on the Work and Ministry of the Holy Spirit. This will be an exhaustive and thorough study of everything the Bible says about the Holy Spirit: His personality, His deity, His ministry to Church age saints, His work in the Old Testament, His ministry to Israel, His ministry during the Tribulation and Millennial Kingdom, and His gifts including dreams and visions, healings, miracles, and speaking in tongues.

Wayne Grudem says in Systematic Theology, "The Holy Spirit is now the primary manifestation of the presence of the Trinity among us. He is the one who is most prominently present now."

It is vital to our spiritual health that we accurately know and understand the Holy Spirit and His work in our lives and in the world. Please make time in your schedule to join_us!

Calling the Church to revival and all to repentance in these last days

May 9, 2011

Norwalk GBC
11005 E. Foster RD
Norwalk, CA 90650

Dear Pastor and Congregation,

I was encouraged by the attendance and attitudes of all those who came to the conference at your church. Their undivided attention and quiet anticipation of each message demonstrated that they are hungry for the prophetic Word of God. I do believe that this ministry is on the cutting edge of delivering the message that the Holy Spirit wants to give to the churches. In each of the letters that the Apostle John wrote to the seven churches in Revelation 2-3 he said, "*He that hath an ear, let him hear what the Spirit saith unto the churches.*"

I do believe that 2011 will be a very important year in moving our world toward the final preparations for the beginning of the Tribulation Period, which means we can expect the Rapture at any moment! At the same time, we must occupy until He comes, and that means we need to be prepared to live in a world that is falling apart spiritually, morally, and economically. These critical foundations of a good and godly society are being destroyed!

Thank you for the generous offering you received for us at the conference. Your love gift will help us to stay the course as we prayerfully seek the wisdom of God in these challenging days. Please continue to pray for us as we seek the mind and heart of God to deliver His message of warning and encouragement to His people in this rewarding, and challenging day. In this unique way I do believe that God has called us to sound the call for revival within the church, and we are also missionaries to the pagans in America. We must warn them of the wrath of God at the end of this age, and in the world to come! Thanks again for the gracious love gift. May our Lord give you wisdom as you serve Him until He comes, and may God have mercy on America!

Waiting for the Trumpet of the Lord,

Micah Winefeld
