The Wrath of God:

Revealed, deserved, inflicted!

God's Wrath

“The settled, determined response
of a holy God
against sin.”

God Revealed in Conscience

The moral “good” person condemned by his own *judgment*. God’s judgment is:

1. According to *truth*;
2. According to *deeds*;
3. According to *impartiality*;
4. According to Paul’s *gospel*.

The Conscience

NOT the Holy Spirit!

"The instinctive sense of right and wrong that produces guilt when it is violated."

Put within man by God!

God Revealed to Israel

The Jew condemned:

1. The pride of *place*;
2. The pride of *grace*;
3. The pride of *race*;
4. The pride of *face*.

God Revealed to All

All are condemned in God's *courtroom*:

1. The general *charge*;
2. The written *indictment*;
3. The guilty *verdict*!
